

Brown Dermatology, Inc.
Financial Policy and Patient Responsibilities

Thank you for choosing Brown Dermatology, Inc. as your medical provider. The following is a statement of our Financial Policy and Patient Responsibilities, which we require you to read and sign prior to receiving any services.

Insurance

Our practice participates with most health insurance plans. Insurances vary in their coverage and it is the **patient's responsibility** to understand his/her medical benefits. Please bring your insurance card and a photo id with you at the time of your appointment, it will be copied and the information entered into our system. This is to ensure that the information we have is correct and that your insurance plan is current. If there are any issues concerning eligibility, coverage policies, or other problems not related to our billing practice, you will be responsible for all charges incurred.

Insurance Referrals

You are responsible for all referrals required to comply with your insurance plan. **Please obtain your Primary Care Physician's referral prior to your appointment.** If your claims are denied for lack of referral or if the referral is rejected by your insurance company, you are responsible for all charges.

Co-Pays, Deductibles, Co-Insurance, & Self-Pays

All office **co-pays, deductibles, co-insurance, and self-pay visits** are to be paid at the time of service. Please check with your insurance company to determine the amount of your plan deductible. We accept cash, check, Visa and MasterCard. **A \$15.00 fee will be applied if the co-pay is not paid at the time of service.** If you are unable to pay your balance in full, we will gladly arrange a payment plan. Arrangements must be made with our Billing Department prior to your appointment.

The following fees will not be filed with your insurance carrier; they are the direct responsibility of the patient:

No-Show Fee

Any patient who does not show for their scheduled appointment and has not called with 24 hour notice to cancel the visit, will receive a \$35 "no show" charge. Payment is due upon receipt of statement and no further appointments may be made until the charge has been paid.

Finance Charge

A 1% finance charge will be added to the amount due if payment is not received within 30 days of being billed.

Returned Check Fee

There is a \$30 returned check fee.

I have read, understand, and agree to the financial policies as outlined.
